

Introduction

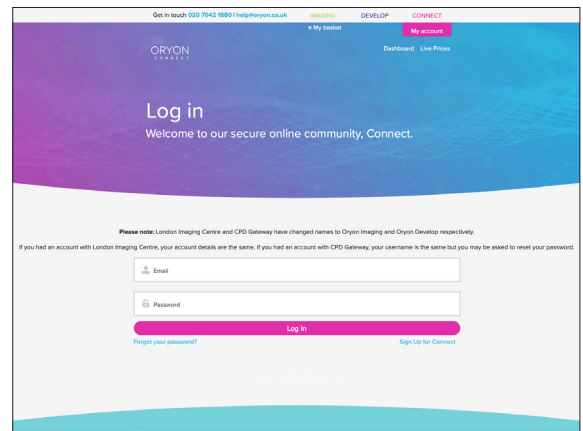

Oryon Imaging, previously known as London Imaging Centre, is a private diagnostic imaging centre based in central London, UK, which provides high quality imaging services.

Challenge

Oryon Imaging needed their patient portal and service booking system to be refreshed and streamlined to provide an integrated service booking experience for patients and partnering clinics.

Solution

AdvancedCommunities.com helped Oryon Imaging to update their patients' portal to provide a more efficient and user friendly experience when making bookings.

Benefit and Result

The solution provided by AdvancedCommunities.com allowed Oryon Imaging to improve the user experience for registrations of new patients and partnering clinics.
